Dual-certified Technical Rescue/Wildland Firefighting Personal Protective Equipment

The Smithville Area Fire Protection District is seeking bids/proposals for the purchase of Dual-certified, to meet NFPA 1951 (Technical Rescue) and NFPA 1977 (Wildland Firefighting), personal protective equipment.

The following are minimum specifications and requirements for the equipment:

Units shall be new and include a manufacturer's warranty.

(24) Sets (jacket and pant) of Lion VersaProPlus dual-certified tech rescue/wildland firefighting personnel protective equipment.

Each set shall include;

Jacket – water repellant, Sigma shell in tan or khaki color. Mic tab, radio pocket, Scotchlite ventilated reflective triple-trim on chest, sleeve, and hem of jacket, flashlight tab and strap, PCA-reinforced elbows, take-up straps on the cuffs of the jacket, thermoplastic zipper, pockets with flap closure on the jacket. Jacket shall have 4-inch letters on the back of the coat which read "SAFD".

Pants - water repellant, Sigma shell in tan or khaki color. Large cargo pockets on the pants, belt loops and waistbelt, zippered legs for easy donning over boots, Scotchlite ventilated reflective triple-trim on side seam and cuff of pants, PCA-reinforced knees and pant cuffs, take-up straps on pant legs.

Bidder shall measure personnel for proper fit before placing order; or, Bidder shall provide demo/fitting gear of the same model for personnel to determine their proper size before placing order.

(24) pairs of Black Diamond Battle OPS w/ Composite Toe, 8", Waterproof, Side-zip

ALTERNATIVES FOR JACKET AND PANTS: SAFD realizes there are numerous manufacturers of dual-certified NFPA 1951 (Technical Rescue) and NFPA 1977 (Wildland Firefighting) compliant personal protective equipment. Bidders may provide bids for equipment which meets the same NFPA standards (1951 and 1977); and which has the same features as those listed

above. It is understood that fabric name/brand may be different. SAFD is not interested in one-piece 'cover-all/jumpsuit' style PPE.

ALTERNATIVES FOR BOOTS: Bidders may bid different options for similar boots. Boots do not meet to meet related requirements for wildland firefighting or tech rescue. Boots shall be black, zippered, with a composite toe, and at least 8 inches in height.

Bids shall include shipping/freight; deliverable to SAPD Station #2, 341 Park Dive, Smithville, MO 64089.

Bids may be emailed to Dave Cline at dcline@safpd.com. Bids may also be mailed to 341 Park Drive, Smithville, MO 64089. Bids shall be marked as "WILDLAND/TECH RESCUE PPE".

Bids must be received by February 15, 2024 at 1700hrs.

The Smithville Area Fire Protection District reserves the right to reject any or all bids, or to procure the equipment on their own without a formal dealer bid, at their sole discretion.
