Ventilation Fan Specifications

The Smithville Area Fire Protection District is seeking bids/proposals for the purchase of **2 battery-powered ventilation fans.**

The following are minimum specifications and requirements for the equipment:

Units shall be new and include a manufacturer's warranty.

Units shall be powered by rechargeable batteries. Batteries may be either self-contained, or removable from the unit. The district has other portable powered equipment which utilize Hurst rechargeable batteries, as well as DeWalt brand batteries.

Unit shall have a run time/operating time of at least 60 minutes.

Unit shall have an output of at least 10,000 cubic-feet-per-minute.

To ensure units will fit on existing apparatus, bids shall include information on the size and weight of each unit offered.

Bids shall include shipping/freight; deliverable to SAPD Station #2, 341 Park Drive, Smithville, MO 64089.

Bids may be emailed to Dave Cline at dcline@safpd.com. Bids may also be mailed to 341 Park Drive, Smithville, MO 64089. Bids shall be marked as "Ventilation Fans".

Bids must be received by February 15, 2024 at 1700hrs.

The Smithville Area Fire Protection District reserves the right to reject any or all bids, or to procure the equipment on their own without a formal dealer bid, at their sole discretion.
